

START Programme – Autumn 2007 & Spring 2008

These next two terms we look at Psalms and Proverbs. **Psalms** helps us to love God more (full of real heart wrenching prayer to God), and **Proverbs** helps us love other people more (full of down-to-earth practical advice). By doing this we will hopefully be better at obeying the greatest commandment and the second one too – to ‘love the Lord your God with all our heart and with all your soul, and with all your mind’.... and to ‘love our neighbour as yourself.’ (Matthew 22:37-38).

We will all be studying this together and bringing our thoughts and actions to the group. This will involve reading the passages ourselves at least a week before the next START and putting it into practice. Therefore we will each bring a few written thoughts we had on the passage and what we have been doing differently this week as a result of what we have been learning.
