### Holy Trinity Data Protection Policy

Holy Trinity follows the principles of the Data Protection Act 1998 concerning personal data. The data that we hold is held securely and only used for Holy Trinity related activity. If you have supplied personal data which you subsequently decide to withhold, we will action your request as soon as is practical. We respect your right to have access to any data that we hold about you and the data will be destroyed as soon as practical after we become aware that you are no longer involved in any way with Holy Trinity.

**Please sign below to indicate that you give consent for Holy Trinity to hold your data and for it to be used in accordance with the 1998 Act as outlined above.**
